---

ed that the next meeting of the Board be convened about the end of July to check the the year and that no meeting is necessary in May.

d Executive Engineer's docket No. 291, dated 20th instant submitting a Lumpsum Esti-1,800 for countersignature, on account of making a road from Chikka Bikkode to Are-

naiya informed the Board that the road beyond Arehalli to a point in the Gonibid road made along with the above, as much difficulty is, at present, experienced by the people same.

d considers that this is a very important local trade route and should be made and main-r of the road which is now maintained from Arehalli to Saklespur. The estimate should from the grant under "Reserve" provided in the next year's Budget. The Board further the section of this road from Arehalli to a point in the Gonibid-Belur road should also made at an early opportunity as this tract of the country is quite unopened and the thoroughfare is very much felt by the coffee cultivators.

District Funds were read to the Board and approved for the three quarters ending with March 1893. The total expenditure was Rs. 44,518—1—0 as detailed in the margin.

docket No. 88, dated 9th instant from the Chemical Examiner, Mysore, in reply to the neer's docket No. 1454 of the 1st idem. The President explained to the Board that Javagal village in Arsikere Taluk have been experiencing difficulties for want of good and that their unhealthiness was due to the water of a well in the station being unsuited poses and that the water-supply had to be improved.

at the well be conserved and deepened a little more and the water again subjected to fore resolving upon another well or reservoir being undertaken.

sident explained to the Board that it was desirable to consider and determine how e hundred rupees sanctioned for each Taluk for conservancy and sanitation of rural rilized.

e the five hundred rupees sanctioned for village sanitation be by preference used to face, drainage and after that to fill up stagnant pools of dirty water in selected vil-pulation.

VI. Mr. Bhimanna on behalf of the residents of the Hassan Town informed the Board Bathing ghat now sanctioned to be constructed out of Local Funds General in Government ings No. 7589-1—L. F. 63-92, dated 2nd December 1892 to the Channapatna Tank to a leng feet be divided into two separate ones one for males and the other for females apart from ea

Resolved that two ghats be built for males and females separately instead of only one tioned dividing the money or providing additional money as may be necessary.

VII. Read Government Proceedings No. 14247-55—L. F. 346-92, dated 23rd Febr calling for a report on the rates of mileage to be given to the non-official members of the attendance at the meetings.

Messrs. Tammaiya, Srikantaiya and Bhimanna informed the Board that they are of opini the meetings are for the good of the people, no remuneration of any sort is necessary or desir

Mr. Nagaakar informed that the rate of 3 annas proposed appears to be low considering of the members in the Board and also that it is less by an anna allowed to the officials.

After discussion and consideration it was resolved that if any mileage is to be granted these members the rate may be that adopted for Amildars and officers of that rank, *i. e.*, a mile.

VIII. Read Executive Engineer's docket No. 161, dated 4th March last enclosing extr the list of works proposed by the Representative Members at the Dasara Assembly with the of the Chief Engineer on the following read :—

1. Completion of the road from Salagame to Javagal.
2. Road from Bikkode to Archalli and from Saklespur to Gonibid road.
3. Construction of a road from Arkalgud to Bherya.
4. Construction of a road from Konanur to Somavar-Santé.

The questions were considered and the Board opened with reference to each as follows :—

Archalli-Bikkode road.—*Vide*, Resolution No. II above.

Salagame-Halebid road.—This road of only about 10 miles is also necessary to be made a tained as it connects the markets of Salaga ie and Halebid and improves the big market of For administrative purposes this is very much wanted. It shortens the distance between Hal Hassan by one half, *i. e.*, 17 or 18 against 34 miles being the shortest link between Banavar-B nibid road.

The section of this line up to Salagame, a distance of 8 miles, was made as the 1st instal this road and is now maintained by the Local Funds. The completion of the 2nd Section of to Halebid should be undertaken in 1894-95 duly providing for it.

Arkalgud-Bherya road.—This road must be treated in the same way as the Channaray Bagar road, *i. e.*, a fair weather cart track for improvement of which, tunnels, &c., may be built cult places.

IX. Read applications from Holé-Narsipur and Arsikere Hospital Assistants each for a the Dispensary compound

Messrs. Madhava Rao and Subbarayalu Naidu, Amildars, informed the Board that the co tion of wells in the compounds is very necessary and also stated that it would be useful for the residents of the Town.

Resolved that the necessity is not apparent.

X. Read lists of works sanctioned from the District Funds as well as those from Local General and approved.

Read lists of works proposed by the several Amildars in the District as urgent ones.

(1) Mr. Chandaiya informed the Board that the steps of the Vishnu Samudra Tank in th Town require repairs in certain places.

Resolved that the repairs to the ghat being necessary and the season being timely for the tion of this work, the same may be sanctioned as an urgent work and estimate therefor du mitted.

(2) Mr. Chandaiya represented that the residents in the western portion of the Town ence difficulties for water—as the wells in the houses have all dried up.

Resolved that a well may be sunk at the back of the Temple.

XI. Read Mr. Middleton's letter, dated 13th February last, bringing to notice that th allowed to him for the repair and up-keep of the Kadamoney-Marnhalli road was with held in owing to the Famine and that the same may be renewed to him now as he has been maint road at his own cost.

Resolved that full particulars be ascertained as to who constructed the road originally a many years Government maintained the same and also, at what cost—how many villages it the number of population therein.

P. N. Prasa
President, L. F.
